

Candidates Declaration

Vice President

Jennifer Neuenfeld

Dear FCEA Members,

I have been an active and engaged member of our union for 8 years, and during this time, I have witnessed the positive impact that collective bargaining and advocacy can have on the professional lives of educators. My experience as Vice President, former site rep, and 4-5 Member at Large has allowed me to understand the challenges and opportunities facing our members, and I am eager to contribute my skills, passion, and dedication to the role of Vice President.

Human Rights

Christina Cook

I'm **Christina Cook** and I am currently serving as Human Rights Representative for FCEA. I'd like to continue this service for another 2 year term. I am dedicated to highlighting and bringing CTA's human rights and equity training and educational opportunities to our members. I currently serve as a CTA Human Rights Cadre Trainer and as CTA State Council Representative for our local area. I am honored and proud to represent and advocate for our members. Thanks for your consideration to serve a 2nd term as FCEA's Human Rights Representative. Thank you!

Director At Large 9 - 12

Anthony (Tony) Ruiz

It would be a pleasure to continue representing our comprehensive and alternative education high schools. There are many changes on the horizon, including updates to our frameworks, changes to supervision and adjunctive duties, and especially challenges relating to health benefits. I look forward to representing our interests on the Exec Board.

Director At Large 3 - 5

Mary Sinclar McCarthy

My name is **Mary Sinclar McCarthy** (formerly Mary Peerman). I have been a teacher in the district for 32 years working in both Rancho Cordova and Folsom elementary schools. I have been the Member at Large for 3-5 this past year and for 6 years before and have been a Union representative on and off for three different schools in the district. I love being a voice on the executive board for the often overlooked 3rd, 4th and 5th grade teachers and students. I love to problem solve and believe in a Union that is strong and welcoming. Thank you for your vote.
